COMMITTED TO QUALITY

VARIETY	TRAY SIZE	COUNT	DELIVERY (Weeks)
Ferrara	P84	84	22, 25
Hourra	P84	84	22, 25

Ferrara delivers a uniform, sturdy plant with upright growth and big flowers in four high-impact colours, while Hourra offers a compact dwarf habit with semi-double, long-lasting blooms on strong stems in five modern shades.

Both ranges produce round, bushy plants from the same planting, with sequential flowering for extended seasonal colour, and are available for delivery in weeks 22 and 25.

Key Features

- > Two modern, uniform series

CHRYSANTHEMUM POPPINS

VARIETY	TRAY SIZE	COUNT	DELIVERY (Weeks)
Poppins All	P104	P104	26, 27, 29

Poppins is a naturally compact, uniform pot 'mum that finishes cleanly in packs and small pots with no pinch or heat-delay work, making it ideal for high-density, low-input production.

The eight-colour range now includes two standout new shades—Dark Red and Soft Pink—broadening its early-September to mid-October sales window with strong, long-lasting garden performance.
