Welcome to the 2027 Perennial Catalogue

Thank you for your continued support of Earley Ornamentals.

For 2027, our focus remains on supplying growers with reliable young plants, a carefully selected perennial range and the flexibility to respond to changing market demands.

As the industry continues to evolve, we remain committed to helping our customers succeed with high-quality plants that perform consistently from production through to retail and into the garden.

This year's new introductions have been chosen for their resilience, uniformity and lasting garden performance, offering even greater choice across the range. See the full selection of new varieties and additions on pages 8-11.

With increasingly unpredictable weather, demand for resilient varieties continues to grow. Long-term performance, durability and lasting garden performance have been key criteria in our selection process.

If you would like to discuss our latest introductions or your production plans for the season ahead, please contact your dedicated Account Manager, our Customer Service team or me directly.

On behalf of everyone at Earley Ornamentals, thank you for choosing to work with us. We look forward to supporting you throughout another successful growing season.

When delivery is postponed otherwise than due to default by the Company the Customer shall pay all costs and expenses incurred by the Company in connection with such postponement including (but not limited to) a charge of 15% of the total value of the Contract for transportation and/or storage or restocking occasioned thereby.

6.9. Goods supplied in accordance with these Conditions cannot be returned without the Company's prior written authorisation. Duly authorised returns shall be sent to the Company's premises at the Customer's expense and the Company shall be entitled to apply a 15% handling charge in respect of those Goods returned.

6.10. Unless otherwise expressly agreed any packaging supplied by the Company is intended to be only sufficient to protect the Goods for all normal conditions of transit and for the normal period of transit only.

6.11. The Customer must ensure that the delivery location is safe and can accept delivery of the Goods and that the Customer makes available sufficient and suitably skilled personnel and appropriate equipment to unload the Goods safely. The Company reserves the right to postpone delivery of any Goods if it considers that the Customer has failed to provide a safe delivery location and sufficient and suitable assistance to enable delivery to be completed. If the Company is unable to safely deliver the Goods, the Customer shall be responsible for the costs of re-delivery together with associated costs as set out in clause 6.8 above.

6.12. The Company shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by an event beyond the Company's reasonable control or the Customer's failure to provide the Company with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods or the Customer's failure to comply with clause 6.11.

6.13. The Company delivers orders using Danish trolleys wherever possible. When Danish trolleys are used, they must be exchanged in full. Trolley documentation will be issued for any collection or delivery where a like-for-like exchange does not take place. Charges will be applied as per the current price list.

6.14. Earley Ornamentals complies with industry updates by adopting the CC TAG6 trolley system from January 2025. All CC trollies must display both a YELLOW TAG6 label and CC metal plate to remain valid within the CC Pool. This RFID-enabled tag replaces all previous versions. Trollies not meeting these criteria will not be accepted for exchange.

7. RISK AND TITLE

7.1. Risk shall pass to the Customer so that the Customer is responsible for all loss and damage or deterioration to the Goods at the time when the Goods or a relevant part thereof are unloaded at the place of delivery or if the Customer wrongfully fails to take delivery at the time the Company tendered delivery of the Goods.

7.2. Title in the Goods or any part thereof supplied hereunder shall not pass to the Customer until payment has been made in full and cleared funds received for:

7.2.1. the total of the Company's invoices relating to the Contract, and

7.2.2. all overdue sums due under any other contract between the Company and the Customer.

7.3. Before title for any Goods has passed to the Customer:

7.3.1. the Company shall have the right to recover or resell the Goods or any of them and may enter upon the Customer's premises by its employees or agents for that purpose;

7.3.2. the Customer shall take all reasonable precautions to protect the Goods from damage or loss arising from any cause and shall indicate that the Goods are the property of the Company; and

7.3.3. the Customer shall keep the Goods insured in the amount of the price at which the Goods are sold to the Customer against all insurable risks and if the Goods are destroyed by an insured risk prior to the same being paid for by the Customer, the Customer shall receive the proceeds of any such insurance as trustee for the Company.

8. SHORTAGES AND DELIVERY DAMAGE APPARENT ON INSPECTION

8.1. No liability will be accepted regarding claims or complaints as to shortages or transport damage unless notified to the Company by telephone within 2 working days and confirmed in writing within 7 days after the Goods have been delivered.

8.2. If it is agreed by the Company that the Goods are damaged or a shortage is apparent, the Goods will be replaced free of charge or at the option of the Company, allowed for credit, provided that such credit shall not exceed the value of the relevant Goods as invoiced and provided that the Customer shall, if required by the Company, return any damaged Goods at the Company's expense (subject to the Company's prior approval) in the same condition as they were supplied.

8.3. It is agreed by the Customer that if on delivery any of the Goods are damaged or less than the quantity ordered, the Customer shall not be entitled to reject the Goods but if the Customer provides the Company with photographic or other suitable evidence the Company will allow credit for the damaged or missing Goods, provided that:

8.3.1. such credit shall not exceed the value of the relevant Goods as invoiced; and

8.3.2. the Customer shall, if required by the Company, return any damaged Goods at the Company's expense in the same condition as they were delivered.

9. GOODS WARRANTIES

9.1. The Company warrants that on delivery and throughout the Warranty Period, the Goods shall:

9.1.1. conform in all material respects with their description;

9.1.2. be free of notifiable pests and diseases;

9.1.3. (if applicable) comply with the current UK seeds regulations; and

9.1.4. be of satisfactory quality (within the meaning of the Sale of Goods Act 1979).

9.2. Subject to clause 9.3, if:

9.2.1. the Customer gives notice in writing to the Company during the Warranty Period within 7 days after the discovery that some or all of the Goods do not comply with the warranty set out in clause 9.1;

9.2.2. the Company is given a reasonable opportunity of examining such Goods, including but not limited to being given the opportunity to conduct site visit(s); and

9.2.3. the Customer (if asked to do so by the Company) returns such Goods to the Company's place of business at the Customer's cost,

9.2.4. the Company shall, at its option, replace the defective Goods, or refund the price of the defective Goods (including any return delivery costs incurred by the Customer) in full.

9.3. The Company shall not be liable for the Goods failure to comply with the warranty set out in clause 9.1 the defect arises as a result of:

9.3.1. the nature and natural lifetime of the Goods;

9.3.2. Customer's failure to follow the Company's oral or written instructions as to the storage, planting, use and maintenance of the Goods or (if there are none) good trade practice regarding the same;

9.3.3. wilful damage, negligence, or abnormal storage or working conditions;

9.3.4. adverse weather conditions;

9.3.5. contamination, pest damage or disease following delivery; or

9.3.6. any treatment applied to the Goods by the Customer.

9.4. The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.

9.5. These Conditions shall apply to any replacement Goods supplied by the Company. Unless otherwise stated in this clause 9, the Warranty Period for replacement Goods shall be the balance remaining of the Warranty Period for the relevant original Goods which have been replaced.

10. LIMITATIONS OF LIABILITY

10.1. The Company shall not be responsible for any loss, injury or damage suffered as a result of a failure on the part of the Customer or any third party to use, handle or deal with the Goods in a safe and proper manner and in accordance with all applicable regulations and all procedures recommended by the Company.

10.2. No representation is made nor warranty given by the Company as to the suitability or fitness of the Goods for any particular purpose or location, and the Customer shall be responsible for ascertaining whether the Goods are suitable or fit for the Customer's purpose, taking into account weather conditions and the Company shall be under no liability for any loss damage expense or liability incurred by the Customer or any third party as a result of the Goods not being suitable for a particular use.

10.3. Nothing in these Conditions shall limit or exclude the Company's liability for:

10.3.1. death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors (as applicable);

10.3.2. fraud or fraudulent misrepresentation;

10.3.3. breach of the terms implied by section 12 of the Sale of Goods Act 1979;

10.3.4. any matter in respect of which it would be unlawful for the Company to exclude or restrict liability.

10.4. Subject to clause 10.3 the Company shall under no circumstances whatsoever be liable to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for:

10.4.1. any indirect or consequential loss arising under or in connection with the Contract;

10.4.2. loss or damage to persons or property (other than the Goods);

10.4.3. pure economic loss;

10.4.4. loss of profits;

10.4.5. loss of business; and

10.4.6. depletion of goodwill.

10.5. The Company's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the amount stated in the Order Confirmation or if none the price of the Goods supplied.

10.6. The Customer acknowledges, agrees and recognises that the limitation of liability contained in this clause is reasonable in that the prices quoted by the Company are dependent upon such limitation being incorporated in the Contract. The Customer is responsible for making its own arrangements for the insurance of any additional losses.

11. FORCE MAJEURE

11.1. If the Company is prevented (directly or indirectly) from making delivery of any Goods by reason of force majeure (as hereinafter defined) the Company shall be under no liability whatsoever to the Customer.

11.2. The following shall be regarded as force majeure: Act of God, explosion, flood, tempest, fire, accident, epidemics and pandemics, war, threat of war, sabotage, insurrection, civil disturbance, government requisition, acts, restrictions, regulations, bye-laws, prohibitions, or measures of any kind, on the part of any governmental, parliamentary, or local authority; import or export regulations, or embargoes, strikes, lock-outs, or other industrial actions, or trade disputes, shortages of raw materials, labour, fuel or parts of machinery, power failure, unavailability of the use of public or private telecommunications networks and any other cause whatsoever beyond the Company's reasonable control.

12. INDEMNITY

12.1. The Customer shall indemnify the Company in full on demand against any costs, charges, losses or expenses including legal fees which the Company may sustain or incur because of any failure by the Customer promptly and properly to perform its obligations hereunder.

12.2. The Customer shall indemnify the Company against any damages, losses, costs, claims or expenses suffered or incurred by the Company in respect of any claim brought against the Company by any third party for any loss injury or damage wholly or partly caused by the Goods.

13. TERMINATION

13.1. The Company shall be entitled without prejudice to its other rights and remedies, either to terminate the Contract or any other contract with the Customer or to suspend any further deliveries under the Contract or any other such contract if the Customer:

13.1.1. fails to make any payment by the due date;

13.1.2. fails to take delivery of any Goods under the Contract on a delivery date notified by the Company;

13.1.3. is in material breach of the Contract;

13.1.4. makes any voluntary arrangement with its creditors;

13.1.5. (being an individual or firm) becomes bankrupt or (being a company) becomes subject to an administration order or goes into liquidation (otherwise than for the purposes of amalgamation or reconstruction);

13.1.6. an encumbrancer takes possession or a receiver is appointed, of any of the property or assets of the Customer;

13.1.7. ceases, or threatens to cease, to carry on business; or

13.1.8. the Company reasonably apprehends that any of the events mentioned above is about to occur in relation to the Customer and notifies the Customer accordingly.

13.2. If the Contract is terminated then, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to suspend any further deliveries under the Contract without affecting the Customer's liability to pay any sums due to the Company.

14. CANCELLATION

14.1. The Company may (but is not obliged to) agree to cancellation of a Contract on condition that all costs and expenses incurred by the Company up to the time of cancellation and all loss of profits and other loss or damage resulting to the Company by reason of such cancellation shall be paid forthwith by the Customer to the Company.

15. GENERAL

15.1. No waiver by the Company of any breach of the Contract by the Customer shall be considered as a waiver of any subsequent breach of the same or any other provision of this or any other contract.

15.2. If any of the provisions of these Conditions is held by any competent authority to be invalid or unenforceable in whole or in part, the validity of the other provisions of these Conditions, and the remainder of the provision in question, shall not be affected thereby.

15.3. The Customer shall not assign or transfer any of its rights benefits or obligations under the Contract (save with the prior written consent of the Company).

15.4. The Contract shall be governed by and construed in all respects in accordance with English Law, and the Customer hereby submits for all purposes of and in connection with the Contract, to the non-exclusive jurisdiction of the English Courts.

15.5. Any notice or other communication to be given under the Contract shall be in the English language and may be delivered in writing by hand or sent by pre-paid first-class post or email to the party to be served at that party's registered office or last-known trading address and (in relation to the Company) marked for the attention of the managing director.

15.6. A notice shall be deemed to have been served, if by hand when delivered, if by email when transmitted, and if by first class post 48 hours after posting.

15.7. The clause headings are for reference purposes only, and do not limit or otherwise affect the interpretation of these Conditions.

15.8. Each of the provisions contained in these Conditions shall be construed as separate and severable.

15.9. A person who is not a party to the Contract has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

15.10. The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

15.11. Each party agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in the Contract.
